1 Event Description

Mutah University conducted a training workshop designed for both faculty members and students across multiple departments, including Mechanical Engineering and Electrical Engineering. The core purpose of this workshop was to facilitate the transfer of knowledge and exchange of experiences garnered by the project team during their participation in capacity-building training sessions held in Europe.

Prof. Omar Maaiteh provided an overview of the ECO-CAR project, highlighting its objectives, progress, and anticipated outcomes. He emphasized the significance of the capacity-building workshops and showcased their achievements in advancing expertise within the field.
