

# World Physiotherapy

## Certificate of Accreditation

The physiotherapist professional entry level education programme at the

**University of Jordan**

has been awarded full accreditation by World Physiotherapy for the period

**23 March 2021 to 15 April 2023**

---

Chair, accreditation committee

---

Chief executive officer

The second annual report was reviewed in March 2021 and the programme was deemed to meet World Physiotherapy standards and guidelines for physical therapist professional entry level education (2011). Accreditation throughout the period is contingent on the programme satisfactorily completing all required progress reports and submission of satisfactory annual reports.
