CURRICULUM VITAE
Engineer H. Muslemani Aleppo University (Syria)

Master

Name : Muslemani   **First Name:** Hanan

E-mail: *hmoslmane@gmail.com*

Phone : 00963988429716 (direct)

Actual Situation and address

Professor Engineering at the technical commite: at Faculty of Electronic and Electric Engineering -University of Aleppo – Aleppo - Syria.

Date of birth: 1985, Al- Dammam, Saudi Arabia   Nationality: Syrian.

Formation (diplomas, dates, universities):

2003-2008: student, University Aleppo , Communication Department.

2014 - 2016: Master of Communication, University of Aleppo – Syria.

2009: CCNA Certificate, Beirut, Lebanon.

2016: ICDL Certificate, Damascus, Syria.

I-   *Teaching Experience:*

Year	Subjects	Branch
2009 until now	Wired and wirless Communication	Power, Communicaion, Electron, Informatic
2010 until now	Medical signal Processing	Medical Electronic
2010 until now	Digital voice and image Processing	Communication
2009 – 2012	Informaion Security	Communication

2016		
2012 -2013	Random Operation	Communication
2016	Information Theory	Communication
2016	Networks Security	Communication

II- *Scientific publication :*

1- Practical part for Class of Information Security, Aleppo University, Aleppo. Syria, 2012.

2- Practical part for Class of Digital Voice and Image Processing, Aleppo University, Aleppo. Syria, 2015.

3- Practical part for Class of Medical signal Processing, Aleppo University, Aleppo. Syria, 2015.

4- Eng. Hanan Muslemani, 'Java Applications in Computer Networks Security', Research Jornal of Aleppo University, Aleppo. Syria, 2012.

5- Dr. Yahia Fareed, Eng.Hanan Muslemani,' Developed authentication algorithm by using random factors function', Research Jornal of Aleppo University, Aleppo. Syria, 2015.

6- Dr. Yahia Fareed, Eng.Hanan Muslemani,' Communication system building using a developed authentication algorithms with random coefficients mathematical function', Research Jornal of Aleppo University, Aleppo. Syria, 2015.

III- *Experiences :*
- Good deal with computer software and hardware .
- Good experience in computers network (software & hardware)
- Expert in maintenance of mobile phone .
- Expert in IT, Windows Server, Exchange Server and Group Policy.

IV- *Programming languages :*
- Java
- Visual Basic
- C, C++
- Simulation programs like Matlab, NS, and Packet tracer
- In addition to the basic programs like: Access, Excel, Office and Acrobat.

V- *Scientific Participations :*

- Several workshops which made in the University by supervisors of Exec train and CPC.
- Training in Syriatel Company and because of that I got information about Mobile System in general and about GSM and 3G as specific.
- Workshop at Faculty of Electronic and Electric Engineering -University of Aleppo – Aleppo - Syria.
- Conversances, Fifteen scientific symposium held by the Syrian Scientific Society for Informatics in collaboration with the University of Aleppo and the Francophone University Agency entitled Computer Networks Security, on 27 – 28 – October–2010.
- Conversances about Image Processing field on 2015.

VI - *Additional Activities:*

1– Sports.
2– Reading.
3– Social Relationships.
4- Shopping.

Aleppo in 20/7/2016

Eng. Hanan Muslemani
