

Prof. Dia Abu Nadi

Professor at the Electrical Engineering Department, the University of Jordan.

Email: dnadi@ju.edu.jo

Professor at the Department of Electrical Engineering, University of Jordan. He received his Ph.D. in Electrical Engineering. 1999, University of Bremen- Germany. His areas of interest are Array Processing and Smart Antennas for Mobile Communications. Digital Signal and Image Processing. Neural Networks and Fuzzy Systems and Evolutionary Optimization Techniques. He received an award for Hisham Hijjawi Award for Engineering Sciences, 2007
