

Dr. Clio Vossou

Postdoctoral Researcher in NTUA

Dr.-Ing. Clio Vossou has a degree in Mechanical Engineering from the School of Mechanical Engineering at the National Technical University of Athens. Since 2019 is a Postdoctoral researcher and is collaborating with the Vehicles Laboratory of the NTUA in the area of computer simulation. Her scientific area of interest is finite element simulation and it expands to their applications in vehicles. Dr.-Ing. Clio Vossou is the co-author in more than 50 journal and international conference papers.
