Report (Launch Ceremony and Tester Workshop)

Launch Ceremony

The Launch Ceremony and Tester Workshop was conducted at The University of Jordan in Amman, Jordan on September 22nd, 2022.

The Launch Ceremony of ECO-CAR Vocational and Professional Diplomas at the University of Jordan started by a welcome speech by the project's team member Eng. Dania Sreihin, where she presented a video briefing the ECO-CAR Project. Then, a welcoming speech by the project general coordinator by Prof. Ahmed Al-Salaymeh.

ECO-CAR Project in Brief

Prof. Ahmed Al-Salaymeh presented ECO-CAR project in brief. He outlined the project objectives, indicators, progress of work packages and their expected results. Prof. Al-Salaymeh has underlined the achievements of each WP up to date and what is expected from each WP to be achieved in the upcoming months.

Gusts Welcoming Speeches

Then, a welcoming speech by the Dean of School of Engineering, The University of Jordan, Prof. Naser Huniti where he said that the two programs, which were developed in partnership with the University of Science and Technology, Mutah University, Tafila Technical University, Balqa Applied University, Al-Hussein Technical University, Applied Sciences University, Al-Zaytouna University of Jordan, University of Hoxter of Germany, University of Aachen of Germany, University of Deusto of Spain, University of Budapest of Hungary, National Technical University of Athens and University of L'Aquila, Italy, provide modern applied curricula, specialized laboratories and training opportunities in partner countries.

Prof. Omer Maiteh, The President of Tafila Technical University and the representative of ECO-CAR Jordanian Partners, said that the world is now moving towards technical education, stressing that the project harmonizes academia and technical education to create job opportunities, build skills commensurate with the requirements and needs of the Jordanian labor market and alleviate unemployment.

Lastly, Prof. Nathir Obeidat, The President of The University of Jordan, praised at his speech the introduction of these two qualitative diplomas within the programs offered by the university, stressing that all faculties of the university should work at a steady pace to expand the qualified professional programs in all disciplines, so that university education is not later accused of being far from the requirements of employers.
