8 1-Executive Summary and Event Description

The Mutah University team arranged an info day at Mutahi University (south of Jordan-140 km from Amman) entitled (ICT to Change National Policy in Jordanian Education). **The workshop was conducted on 12-11-2024** This event raised the significance of using computers in education. Introducing the computer in early childhood education should be used as a national policy in education faculty. Public Authorities, NGOs, staff and students attend the info day. The main aim of this event is

1. Inform the main public Authorities, NGOs, staff and students of the aim of ICT4EDU aims
2. Disseminate the ICT4EDU project activities
3. Showing how to get the platform they develop in line of the ICT4EDU project which is hosted by the University of Jordan website
4. Handling the National policy in Jordan's higher education
5. Critical discussion about the need for computers in education
6. The dissemination materials (Broachers, flyers and flash memory) were distributed.
7. Visting ICT4EDU lab
