• Event Description

On the 23rd of July 2024, the ICT4EDU Lab Opening Ceremony marked a significant milestone in integrating technology into education. Distinguished guests, including Prof. Dr. Gouda Helal, the president of Heliopolis University, Dr. Ahmed El Shazly, director of the office of sponsored projects Mr. Ahmed Reda, Secretary General of the University, Prof. Dr. Omar Ramzy, Dean of the Faculty of Business Administration and Economics and HU Project coordinator in Egypt, and more gathered to celebrate the opening of

the ICT4EDU lab. The event commenced with the cutting of the ribbon by Prof. Dr. Gouda Helal beside Prof. Dr. Omar Ramzy and Dr, Ahmed El Shazly. Then a welcome speech by Prof. Dr. Omar Ramzy the project coordinator, highlighting the lab's mission to foster innovative teaching and learning methods through advanced ICT tools.

Attendees were given a tour of the lab, showcasing its equipment that will be used to enhance student engagement and teacher effectiveness. The lab is expected to provide a platform for educators to explore new ways of integrating technology into the classroom, ultimately improving the quality of education in Egypt. Participants expressed their excitement for the potential impact of the ICT4EDU lab on the future of education in the region.

The event concluded with a networking session, allowing participants to discuss collaborative opportunities and share insights on the future of education technology. Attendees were encouraged to stay connected with the project through the ICT4EDU website and social media channels for updates and opportunities to get involved. Furthermore, the opening of the ICT4EDU Lab promises to be a transformative step towards a more technologically advanced and inclusive education system.
