8 1-Executive Summary and Event Description

The Mutah University team arranged a ceremony to establish an ICT lab at Mutahi University (south of Jordan-140 km from Amman). **The event was conducted on 5-11-2024** This event raised the significance of the ICT4EDU project and dissemination event. Introducing the computer in early childhood education should be used as a national policy in education faculty. Public Authorities, NGOs, staff and students attend the info day. The main aim of this event is

1. Inform the main public Authorities, NGOs, staff and students of the aim of ICT4EDU aims
2. Disseminate the ICT4EDU project activities
3. Showing how to get the platform they develop in line of the ICT4EDU project which is hosted by the University of Jordan website
4. The dissemination materials (Broachers, flyers and flash memory) were distributed.
5. Visting ICT4EDU lab
