1 Event Description

CHHAR conference was held on July 7–8, 2025, at the Intercontinental Hotel in Amman, Jordan, with the participation of more than 150 attendees from all over the region. The conference featured a diverse program, including sessions on innovative tools for climate adaptation in health and environmental sectors, integrated approaches to water, energy, food, and health, advanced research methods and implementation science for climate solutions, data analysis and visualization for climate and health applications, policy negotiations, and health co-benefits in climate actions, pedagogy, and capacity building in climate change research, and climate, environmental justice, and health equity. The ICT4EDU project was also disseminated during this event.
