1 Event Description

On the 9th and 10th of January, under the patronage of the Minister of Energy and Mineral Resources, Dr. Saleh Al-Kharabsheh. The University of Jordan held the final conference of the Vocational Training Diploma Project On Electric And Hybrid Vehicles “ECO-CAR”, supported by the European Union within the Erasmus Plus program. Prof. Ahmed Al-Salaymeh, the project coordinator, presented the goals and achievements of the project led by the University of Jordan, which included the establishment of multiple professional and intermediate diplomas, the holding of many training workshops and meetings with experts, the establishment of private laboratories, the preparation of highly qualified faculty members, engineers and technicians, and the inclusion of 14 partners from Jordanian and European universities. ICT4EDU project was disseminated at this event.
