

Eng. Sara Al Twassi

Research Assistant at the University of Jordan.

Email: s.altwassi@ju.edu.jo , sara.tws.st@gmail.com

A Civil Engineer graduated from the University of Jordan in 2018, enrolled during her Bachelor studies to study a full semester in Lund University-Sweden. Currently, working as Project Officer in the EU office in the University of Jordan. She is interested in Water, Environmental and Energy studies. She has international experience as she was an intern at PRIMA Secretariat “Partnership for Research and Innovation in the Mediterranean Area” located in Barcelona- Spain, that aims to contribute to United Nations’ Agenda 2030 through the achievement of the Sustainable Development Goals (SDGs). While in PRIMA, she has organized many international events, training sessions, evaluation panels and workshops with her staff to strengthen and support the programme outputs and assist in devise new research and innovation approaches to improve water availability and sustainable agriculture production in a region heavily distressed by climate change, urbanisation and population growth.
